Arrowwood District Pioneer

100th Birthday Celebrated By Mrs. Margaret Ward

Sunday, Nov. 18, 1962, marked the 100th birthday of Mrs. Margaret Ward of Arrowwood, now a resident of the Twilight Nursing Home, High River.

The matron and staff of the nursing home held open house in her honor on Sunday afternoon when relatives and old neighbors from near and far gathered to do honor to this pioneer great, great grandmother.

She and her husband, James, arrived in High River in 1905 and travelled east to homestead one mile east of the corner store. After farming in that area they moved up to the Arrowwood district in 1919 as they had purchased land from the Indian Department. Her husband passed away in 1936, but Grandma Ward made her home in the town of Arrowwood until 1958.

Mrs. Ward received congratulations from Her Majesty the Queen, Hon. Mr. Diefenbaker, Lieut.-Gov. Percy Page, Ernest Watkins and Lawrence Kindt; also from many life-long friends and numerous relatives. Mayor Ross Ellis, on behalf of the town of High River presented her with a beautiful floral arrangement and Dianne Liddell pinned a beautiful orchid corsage on this remarkable great, great grandmother, as tribute to her on her 100th birthday.

Her four children were present for her birthday—Alma Burgess of Vulcan, Milton Henry of Arrowwood, Beatrice Underhill of Calgary and Walter of Brooks. Many of her 15 grandchildren were present along with several of her great grandchildren who number 31. Mrs. Ward also has 10 great, great grandchildren.

Tea was served by the matron and staff and a lovely three-tiered cake complete with 100 candles delighted young and old alike.

Vulcan Farmer, Earl Deal Dies After Long Illness

A well known farmer of the Vulcan district, Earl Harold Deal died at Vulcan on Saturday, Nov. 24, following a long illness. He was 56 years of age.

Born at Springfield, Ill., he had lived in the Vulcan district for 50 years, coming here as an infant with his parents in 1906. He was a member of Samaritan Lodge, IOOF, Vulcan.

Besides his wife, Alberta, he is survived by two daughters, Mrs. William (Rita) Donnelly, Edmonton, and Mrs. William (Opal) Lucas, Vulcan; two sons, Orval and Harold, Vulcan; four grandchildren; his father, Z. C. Deal, Calgary; two brothers, Roy of Vulcan and Howard of Cranbrook, BC; two sisters, Mrs. William Savage, Vulcan, and Mrs. Homer Weaver of Edmonton.

Services were held at the Vulcan United Church on Tuesday, Nov. 27, with Rev. D. A. Sharpe and Rev. Peter Dawson officiating. Pall bearers were Barry and Allen Deal and Monte, Gene, Bill, and Ray Howerton.

The Vulcan Funeral Home was in charge of arrangements.

Weather

The mild weather continues, with high temperatures this week in the 40's and the ground bare of snow.

Farm Fire Destroys 250 Chickens

A fire of unknown origin destroyed a chicken house and 250 laying pullets at the farm of Emery Mueller, eight miles west of Champion, at about 7:00 p.m. on Saturday, Nov. 24.

Neighbors quickly rallied to the scene of the blaze and with water buckets and a garden hose helped Mr. Mueller keep the flames from spreading to a nearby feed stack and barn until the arrival of the Champion fire department and the Vulcan rural fire truck enabled the fire to be extinguished before the brisk wind could spread it to the other buildings.

The loss was partly covered by insurance.

Services Held For Mrs. E. Marshman

Funeral services were held at the Vulcan United Church on Friday, Nov. 23, 1962, for Mrs. Elizabeth May Marshman of Vulcan, who died on Nov. 20, following a lengthy illness. She was 65 years of age.

Born in North Brodley, Wiltshire, England, she came to the Champion district in 1921. She was predeceased by her husband, Clifford, in 1955.

Surviving are one daughter, Mrs. Earl (Phyllis) Erickson, Vulcan; three sons, Leslie, Calgary, Howard and Donald, Vulcan; nine grandchildren; five great-grandchildren, and four sisters in England.

Vulcan Farmers Buy Top Innisfail Bulls

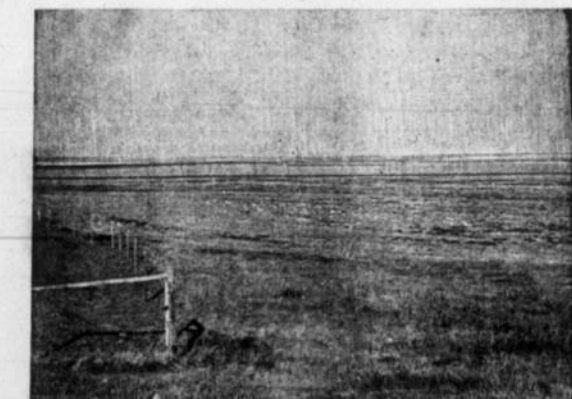

C. W. Loose, Vulcan farmer who also operates a ranch at Pincher Creek, and his neighbor, Bill Lucas of Vulcan, paid top prices for Hereford bulls at the W. J. Edgar & Sons, Innisfail, annual production sale last week.

The first bull through the ring was bought by Mr. Loose for the sale's top price of \$9,000 and, immediately after, Bill Lucas paid the second highest price of the sale, \$7,100, for another Hereford bull. Mr. Loose had paid \$7,000 for the top-priced bull at last year's sale.

Edgar & Sons sold 19 bulls for an average of \$2,446 and 19 females for an average of \$1,489. The sale was attended by about 450 and the 62 animals sold brought a total of \$97,760.

Rev. D. A. Sharpe officiated at the service and pall-bearers were Harvey Beaubier, Howard Burrell, Weldon Greenlee, Jack Sanderson, Loss Kuykendall and Alfred Vaage. The Vulcan Funeral Home was in charge of arrangements.

The purpose of the above photo is to remind duck and goose hunters that hunting at Eight-mile Lake just isn't what it used to be—it's bone-dry this year. What

was until last year a good-sized body of water of many acres, is now alkali lake bottom, strangely silent where once the calls of ducks and geese filled the air.

REMEMBRANCE DAY—Col. Fred Johnston, Honorary Colonel of The Calgary Highlanders, salutes the memory of the war dead of Vulcan and district after laying a wreath at the base of the Cenotaph.

in the Memorial Park on November 11. The short service at the Cenotaph followed a community remembrance service at the Vulcan Armouries, attended by over 600 town and district residents. In

the picture below, the Calgary Highlanders Pipe Band is shown leading the parade up Centre Street.

1962 Activities Summarized

Swimming Pool Tops Expenses

Most people in this area are aware that the Vulcan Lions Club operates the Vulcan and District Memorial Swimming Pool, but may not be aware of the extent this project drains on the resources of the club. We would be unable to carry the total deficit by ourselves and are indeed grateful for the many donations received during this past year. An itemized account of the operation of the pool will follow at the conclusion of this statement. Incidentally, the revenue and expenditures of the pool are basically the same as 1961.

The majority of the activities sponsored by the club are publicized prior to the event, but the net results are seldom made known to the public. For this reason it was felt that an accounting of our money-making projects and how this money was spent would best illustrate our activities of the past year.

Our prime source of revenue is the annual Turkey Shoot usually held the first week of December each year. This function held early in December, 1961, yielded the club \$1,990 which formed the basis of our activity fund for the year 1962. This amount was added to a small balance already in the fund, and

with a profit of \$103 from a pre-balance of the monies received and sentation of the University of Alberta Mixed Chorus, was the actual in the following paragraph we will monies for use in 1962. A rough explain some of the projects.

Former Champion Resident Passes In Calgary

A former resident of the Champion district, Mrs. Louise Katherine Ohlheiser died at Calgary on Nov. 14 following a lengthy illness. She was 88 years of age.

Born at Deemerton, Ontario, Mrs. Ohlheiser came to the Champion district in 1929 with her husband, John, who predeceased her in 1945.

One son, Edmond, died in 1953 and Mrs. Ohlheiser is survived by one daughter, Mrs. E. C. (Maudie) Weiss, Edmonton; one son, Ray, Nanton; nine grandchildren, 14 great-grandchildren, and one sister, Miss Victoria Diemert, Vancouver.

Requiem high mass was celebrated at the Immaculate Conception Church, Champion, on Tuesday, Nov. 27, at 10 a.m. Pall bearers were Roger Ohlheiser, Gordon Ohlheiser, Murray Ohlheiser, Maurice Weiss, Melvin Schumacher and Lorne Schumacher. Interment was in the Champion cemetery.

The Vulcan Funeral Home was in charge of arrangements.

The net loss of course was covered by the small balance carried forward in the activity fund. The deficit in the showing of the Stampede Chorus was primarily the fault of the weather — we didn't expect the temperature to drop to 27 below that night. The Little League and Babe Ruth League, both of Vulcan, required by the Board of Trade in December new equipment and replacement of ber, 1961.

Drama Group Plans Two Plays

Rehearsals are now well under way for two one-act Christmas plays, "A Child Is Born" will be repeated this year. This play enjoyed a number of years run on radio with such well known stars as Helen Hayes and Alfred Lunt and Lynn Fontann. Due to the severe weather conditions last year which made it impossible for some to attend the performance, it was felt that the play should be repeated.

The second play is, "The First Crib," a story based on an incident in the life of St. Francis of Assisi. Both productions bring to life in different ways the miracle of Christmas. Dec. 13, has been set for the performance.

Brownie Leaders Take Training Course At H.R.

The High River Division, Girl Guides of Canada, held a training course for Brownie leaders at Vulcan, Nov. 15th in the Scout-Guide Hall. The training was under the direction of Mrs. S. J. Hayes, Arrowwood, the new Commissioner for the division. She succeeds Mrs. Ross Ellis, High River, who has very capably looked after the affairs of the division for the past two years.

Mrs. George Ellis, Brown Owl from Champion, and Mrs. Bill Cockwill, Tawny Owl from Arrowwood, assisted with the training. Games and songs were taught, as well as Ceremonials especially for the benefit of the new Guides. Mrs. Giles and Mrs. Mumby of Vulcan were enrolled as Guides. Mrs. Teskey and Mrs. Parker of Carmangay were guests from the Chinook Rural Area, Lethbridge. Other Guides who attended from the division were: Mrs. Grant and Mrs. Andrews, Vulcan; Mrs. Martin and Mrs. Anderson, High River; Mrs. Carlson, Champion; Mrs. Stannard and Mrs. Lomas, Lomond. Lomond Guides and Brownies have just recently been transferred to High River division.

After the training course a lovely lunch was served at the home of Mrs. Bill Giles.

Evidence that the Christmas season is fast approaching is the date for Santa's visit to Vulcan, set at a meeting of representative organizations who annually prepare the way for his coming.

Saturday, Dec. 22 is the day to mark on the calendar and on that afternoon old St. Nick will once again be among his young friends beside the big Christmas tree in downtown Vulcan.

Presidents of the Lions Club, Elks, Legion and Vulcan District Board of Trade gathered Wednesday, Nov. 21 to make arrangements which will include the visit of Santa and dispensing of good wishes and treats, free show, and outdoor Christmas music.

The Christmas tree which has become a popular centre of the Yuletide setting, will be put up not later than the weekend of Dec. 15 and each sponsoring body will supply two men to erect and decorate the tree.

It was decided to set this and future dates for Santa's visits at the Saturday before the 25th providing it falls no closer than three days before Christmas day. This will give other organizations a chance to arrange their own programs with a minimum of conflict in dates.

At the December meeting of the Board of Trade to be held Wednesday, Dec. 5th, in the Vulcan Cafe, final plans for Christmas street decoration and the house decoration contest will be made. Also the subject of provincial sales tax will be discussed by the Board. An innovation at the supper meetings will be color films which be shown.

Harris Matlock Wins Car Draw

Harris Matlock of Vulcan was the lucky winner of the 1963 Ford car in a draw conducted by the Brant Memorial Centre.

Proceeds from the draw will go towards the installation of artificial ice in the Brant curling rink.

BETTY HAMMER

A column-length story and three pictures in a recent issue of the Grande Prairie Herald-Tribune pay glowing tribute to the work of Betty Hammer, former Vulcan girl, as an amateur actress.

The daughter of Louis Hammer of Vulcan and the late Mrs. Hammer, Betty has been a school teacher at Grande Prairie for the past five years. Most of her spare time is devoted to the theatre and she is rated as "the most mature and experienced actress in Grande Prairie."

She greatly enjoys her profession of teaching and intends to stick to it. Seldom satisfied with her success, Betty is constantly searching and trying to improve her acting ability and usually has a starring part in one full-length amateur production each year. At a drama festival, she received the "best actress" award for her portrayal of Edith in "Five to Five-thirty." The Grande Prairie drama group's production this year will be "Little Women" and in it Miss Hammer plays the part of Jo.

Possessor of a clear, soprano voice, Betty sang in the chorus of the South Peace Operatic Society's presentation of "Rosemarie" and played the part of the duchess in "The Student Prince."

BIRTHDAY CLUB

The regular meeting of the Birthday Club, held Nov. 8, at the home of Mrs. Joe Chambers, opened by singing, "Give Yourself a Pat On The Back." Sixteen members answered roll call with a donation of a coffee mug for the school. There were four guests.

Mrs. Henry Lindstedt reported that the catalogues that were sent to Red Deer were very much appreciated there. It was also reported that the free bingo and bazaar seemed to be a successful venture and held promise for another sometime in the future. A "thank you" card was received from Bruce and Sylvia Koch. It was decided to send a donation to the St. John's Church for the or-

gan fund, and to the Roman Catholic Church at Travers.

A discussion followed on the regular dance the club usually sponsors between Christmas and New Year's and the date was tentatively set for Dec. 26, if that date is suitable to the orchestra, otherwise a new date would have to be set. Committee for the dance is Mrs. Henry Lindstedt, Mrs. Rose Stanko and Mrs. Tony Zuba.

Plans were made for a shower for Marjorie Stannard. The business meeting closed by singing "Beautiful Dreamer."

A visitor, Mrs. Reg. Frost won the nickel draw. Mrs. Ellen Johnstone held an amusing contest and which was won by Mrs. Florence Hart; consolation prize went to Mrs. Earline Lindstedt. The hostess and her assistants closed the meeting with a most delicious lunch.

The November meeting was held at the home of Mrs. Margaret Ost, Jr. with 13 members turning in their "treasure chests." There was one visitor, Mrs. Berg led the devotional with the Bible lesson taken from Acts 6 and 7.

Mrs. Ellen Johnstone gave an interesting reading on "Stewardship." Correspondence consisted of one letter from the Women's Auxiliary of Canadian Lutheran Bible Institute at Camrose giving thanks for donations received in the past and also a report on the many items still needed for the institute, also the Old Folks Home.

The "treasure chests" were opened and contained the sum of \$36, with some yet to be turned in. This money goes for the benefit of work in the Lutheran Churches. The birthday box was also opened and enough will be added from the regular fund to send \$10 to the Bethany Sunset Home for gifts or treats at Christmas. Another \$10 is to be sent for "Cause of the Month," another branch of work for the church.

The meeting was brought to a close with all repeating "The Lord's Prayer." A lovely lunch was then served by the hostess and her assistants.

There will be no regular meeting in December as all L.C.W. members of the parish will meet on Dec. 12, at the Lomond Lutheran Church for a get-together and a pot-luck lunch in the afternoon.

INITIATION PROGRAM

The Lomond High School Students' Union recently held their initiation program for the Grade X's in the school auditorium.

The girls were attired in sack dresses, gum boots and hair ribbons. The boys were very becoming in make-up, hair ribbons, blouses, nylons and reversed pants. The Grade X's were good sports and played their part well.

During the evening many novelty dances were held with prizes presented to the winners. The Grade X's were put through some tough tests to be initiated. The Grade XII's made them do everything from eating pabulum to walking the plank.

It was nice to see some of the teachers taking part in the different dances such as the continental, twist and cha-cha.

Program convener for the evening was Gordon Frazer. Shirley Coddwell, social convener, provided a refreshing lunch of sandwiches, spudnuts and pop.

It is hoped that there will be more social events in the future, however it is felt that in order for them to be successful, each student should be allowed to bring at least one guest.

U.S. Honeymoon
Follows Wedding
At Vulcan United

The Vulcan United Church was the scene of a Candlelight Wedding Thursday, Oct. 11, when Jean Ann, only daughter of Mr. and Mrs. Harris Matlock, was united in marriage with Theodore Hartung, eldest son of Mr. and Mrs. George Hartung, all of Vulcan.

At the commencement of the ceremony Master Donald Hansen rendered a solo "The Lord Is My Shepherd."

The Double Ring ceremony was officiated by Rev. D. Sharpe assisted by Rev. S. R. Sherman of Edmonton, uncle of the groom.

Given in marriage by her father, the bride entered the church to strains of "Praise My Soul The King Of Heaven", played by A. K. Putland of Lethbridge. Her gown was of ice white debut velvet with a scalloped hemline and a peau de sole underskirt and chapel train. Her double tiered veil misted from a peau de sole head-dress studded with seed pearls. The Bridal bouquet consisted of a single white orchid embraced with talisman roses. She chose to wear a pearl necklace worn by her own Mother and Grandmother on their respective wedding days.

Attending the bride were Mrs. Anna McAllister of Calgary, cousin of the bride, as Matron of Honor, Mrs. Kathleen Davies of Calgary, Miss Loree Hauser of Carmangay, Miss Louise Graham of Edmonton, as bridesmaids. The Junior bridesmaids were the Misses Jaunita Hartung, sister of the groom, and Joyce Mills of Broadview, cousin of the bride.

The bride's attendants were attired alike in bell-skirted floor length gowns of emerald green ballerina velvet and wore shoulder length veils falling from pillbox headdresses of matching peau de sole. Their only jewellery were pearl pendants, gifts of the bride, and they carried bouquets of apricot-tinted carnations.

David Hartung attended his cousin as best man while guests were ushered to their places by Gary Stuart, cousin of the bride, Donald Houlton and John Graham. They were attired alike in Tuxedos.

White bows marked the pews and the ceremony was performed before an altar banked with fern and baskets of bronze large and baby mums. White candles in tall copper candelabras softly lighted the altar.

During the signing of the register Donald Hansen sang "I'll Walk Beside You."

Following the ceremony the reception was held in the Vulcan Lodge Hall where tables were laid for 200 guests. Receiving with the bridal couple and their attendants were the parents of the bride and groom.

Mrs. Matlock chose for her daughter's wedding a two piece ensemble of sculptured brocade in brown tones, trimmed with mink, and wore matching accessories. Mrs. Hartung wore a crystalline organza dress of turquoise with white and black accessories. A corsage of pink sweetheart roses completed her outfit.

Grandmothers Mrs. M.L. Clarkson, Mrs. C. H. Matlock and Mrs. J. Scheirman wore corsages of carnations.

A five tiered wedding cake decorated with yellow roses centered the bride's table which was accented by white tapers in silver candelabras. Dining tables were decorated with white candles and

HARTUNG — MATLOCK

talisman roses in low-cut rose bowls.

Stan Scajes very capably acted as master of ceremonies.

A very touching toast to the bride was proposed by Bev. Banks, close friend of the bride, and fittingly responded to by the groom.

Donald Houlton proposed the toast to the Matron of Honor, and the bridesmaids while David Hartung responded.

Gale Atkinson proposed the toast to the Mothers and Carson McKay responded.

Mr. Scajes made honourable mention of the grandmothers, and read a telegram of congratulation from S/L and Mrs. Fred Stephens and family of Zweibrücken, West Germany.

For traveling the bride chose a charcoal brown silk and wool worsted suit and wore a single strand of cultured pearls, a gift of the groom. Gold and brown accessories complimented her ensemble. Her corsage was of talisman roses.

Before the young couples' departure they presented Mr. and

I.O.D.E. Zone Conference Held At Champion

A Zone Conference on Wednesday, Nov. 14, held in the Champion Community Hall was attended by 26 members of the IODE. They were present from Calgary, Champion, Taber, Pincher Creek and Crownsnest. Following the luncheon, Mrs. F. L. Little, Regent, Lael Chapter, opened the Conference and the Prayer was recited in unison. Mrs. Little then introduced Mrs. C. F. Wilson, Provincial Services Secretary.

Mrs. Little after expressing her pleasure to see so many present at the Conference, read a letter of welcome from the Mayor of Champion, in which he praised the IODE for the very great work it has done in the Commonwealth. He said he hoped this Conference would be successful.

Mrs. Wilson announced she did not have a prepared speech, but she welcomed questions and would endeavor to answer them, with the assistance of the officers accompanying her. If it was not possible to answer some of the questions at this meeting, she would send the answers along as quickly as possible.

Mrs. Wilson went on to describe visits she and Mrs. Florendine had recently made to new Chapters and considering the fact that the ages of members on these new Chapters range from twenty years to seventy to be a very good factor in securing new members. Last year there were 99 members in Zone Six. More members are needed in order to have a Counsellor sit on the Provincial Council.

Okotoks is finding it very hard to carry on with a very small membership and if it should dissolve the other Chapters must increase membership.

Mrs. Wilson said when the nomination papers were sent out in the spring to take into consideration the suitability and availability of nominees. Since headquarters is in Calgary this coming year, attendance at the annual and semi-annual meeting is desirable, and as Calgary is in close proximity it should not be too difficult for a Counsellor to attend. A new By-law to be voted upon in the new year will ask that each Zone have its own vice-president. Mrs. Wilson said the duties of this vice-president would not be arduous, but she should attend some meetings. She suggested to increase membership, calls be made on newcomers, as they are usually lonely and probably would welcome the opportunity to meet people. Parents and sisters of winners of scholarships should be contacted too, as they would likely be glad to be part of an organization such as this.

Mrs. Little said she believed that new brides would also be likely new members.

There followed a question and answer period in which one member asked why Zone Six was so large, covering an area from Okotoks to Crownsnest Pass and over to Taber. Mrs. Wilson suggested a Chapter may apply for transfer to another Zone, but that Headquarters had given Zone Six a lot of study and it seemed that it was not practical at this time to make it smaller as there were only five chapters in this area. The answer she felt, to this problem would be the founding of more Chapters at e.g.—at Claresholm and Fort Macleod.

Mrs. Wilson said she did not believe the IODE publicized itself enough, in other words it did not blow its own horn. Members should tell of the work accomplished and thus inspire increased membership and more Chapters.

One of those present suggested an ex-member living in a town which did not have a Chapter would be the ideal person to get the ball rolling. Ten members is the minimum requirement for a new Chapter.

Mrs. Wilson said she would be glad to answer any queries regarding the Treasury Department. A member asked if the table standard could be used at all meetings. The answer was that it was most suitable for meetings in the homes, but the floor standard could be used. Questions were asked and answered as to the availability of spearheads for the standards.

A member asked why eastern Canada was featured so much in Echoes, while western Canada did not seem to have any coverage of its activities. She was told the spring issue would carry western Canada news.

Mrs. R. B. Florendine, Provincial Services Secretary said how happy she was to be present on this occasion with her Committee composed of Mrs. J. P. Costello, Assistant Services Secretary, Mrs. W. T. Haynes and Mrs. A. C. Yule. Mrs. Florendine then went on to explain in detail services at home and abroad. She suggested that instead of giving money to home services, such as hospitals, schools, etc. equipment be purchased. She explained how the packages sent from Canada went to England and

were distributed from there to the needy in England, Europe and Asia. Personal Property Bags were being sent to the refugees in Hong Kong She gave instructions as to making the bags and the contents.

Magazines and books are needed at St. Margarets Hospital, Fort Simpson, NWT and there was a detailed discussion on the problem of transportation to this point. More information is to be sought to clear up this problem.

Mrs. Florendine said there was to be a change in the Report Form and she explained each heading and what was to be entered there under.

She then closed her address thanking everyone for their attention.

Mrs. W. T. Haynes told of a visit to headquarters while in Ottawa. This is in the former residence of Timothy Eaton. She described the fine old home with its corner windows, tapestried walls and beautiful carpets. She was thrilled to be able to visit this building and she advised anyone who had occasion to be in the East to certainly make an effort to visit headquarters.

A member from Taber asked that Zone Six Spring Conference be held in Taber some time in June of 1963. She was assured the Taber Chapter would be advised of the exact date.

Wedding vows were exchanged on Saturday, July 21 in a double-ring ceremony at the Crescent Heights United Church in Calgary when Annie Hlookoff, youngest daughter of Mr. and Mrs. Nick Hlookoff of Milo became the bride of John Hooanoff of Calgary, youngest son of Mr. and Mrs. John E. Hooanoff of Taghum BC. Rev. G. B. McClintock officiated at the ceremony.

The bride, given in marriage by her father, wore a full length gown of white organza over taffeta with lily point sleeves. A shoulder length veil was held in place by a seed pearl tiara. The

bride carried a bouquet of red sweetheart roses and a white bible.

Matron of honor, Mrs. Eileen Fraser of Calgary wore a yellow dress and carried a bouquet of white mums.

The groom's attendant was Harold Fraser of Calgary. Ushers were Don MacIntyre and Keith Bratvold, both of Calgary.

For her daughter's wedding Mrs. Hlookoff wore a white dress with brown coin dots and a corsage of miniature red roses. Mrs. Hlookoff's dress of royal blue crepe was also accented by a corsage of red roses.

A reception followed at the Trade Winds Hotel. The bride's table, decorated with pink and white carnations was centered with a three-tiered wedding cake adorned with blue birds and white rosettes.

For going away the bride wore a royal blue linen suit with white accessories. After a long honeymoon spent at Banff, Nelson, Seattle and Vancouver the couple reside in Calgary.

The wedding guest book was signed by friends and relatives from Calgary, Milo, Vauxhall, Lethbridge, Seattle and Nelson, BC.

Alberta Junior Citizen Award Winner

VERLIN RAU

Beiseker, Alberta

If you see a group of Grade Eleven high school students walking down the corridors of the large Beiseker Consolidated School, you will find among them a boy with the same load of books, the same happy smile as his companions. But this boy is different. You might even think that he has wandered into the wrong section of the school. For Verlin Rau is slightly built and only four and a half feet tall. But just ask the teachers about Verlin. They'll tell you that he is an outstanding student — that last June he won an award for the "best all-around boy student" and that he is now taking his Grade Eleven although he is only fifteen years old.

Life has not been easy for Verlin. He has lived his life with a serious heart condition which has caused extremely high blood pressure from his chest up and no blood pressure in his feet and legs.

Verlin, in spite of his handicap has performed some amazing heroic acts. He has saved his brother and mother from serious injury. He has assumed complete responsibility for harvesting when his father was seriously ill last fall.

Verlin is now recovering from a successful heart operation and can now look forward to living a normal life. We and the editors of Alberta's weekly newspapers extend to Verlin and his parents, Mr. and Mrs. G. L. Rau, best wishes for the future.

This is one of six announcements about the 1961-1962 Junior Citizen Award winners. Calgary Power Ltd. gratefully acknowledge the active participation of Alberta's weekly newspaper editors, whose enthusiasm has done so much to make the Alberta Junior Citizen program possible. For this winner our special thanks go to Mr. and Mrs. G. Reddekopp who nominated Verlin for the award.

Mail Early
For Christmas

Next week you will receive in your mail a folder listing the Christmas mailing dates and attached will be labels for fastening to your bundles of Christmas cards. Keep these labels and tie them to your local and out-of-town bundles of cards before bringing them to the post office where you will find special collection boxes placed in the lobby.

Open Christmas cards with a five-word greeting will again require two-cent postage this year. To avoid standing in line, buy your postage stamps early.

Only three Christmas mail deadlines are set for this year:

Dec. 8—to distant points in Canada and the U.S.A.

Dec. 13—to other out-of-town points in Canada.

Dec. 17—local delivery in Vulcan.

When preparing Christmas parcels for mailing use heavy paper and strong cord and make sure your return address is both inside and on the outside of the parcel. Remember to mail on or before the dates listed and use the labels supplied when bundling your cards for local and out-of-town. The more mail received bundled and labelled the faster service your post office staff can give.
